

PaintCare Connecticut

Program highlights, July 1, 2017 - June 30, 2018

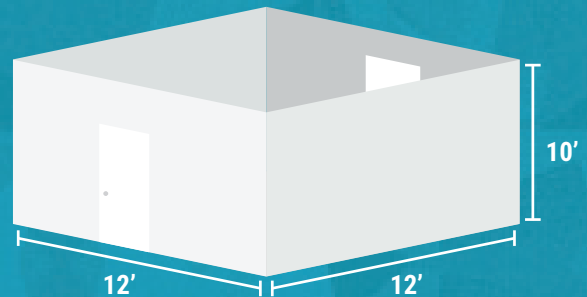

100%
of CT residents live within 15 miles of a drop-off site

~10% of all paint sold each year is leftover
59% of that amount was processed by PaintCare

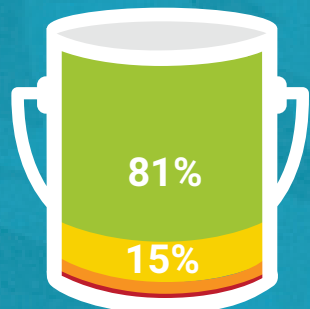

342,350 gallons processed

That's enough paint to apply one coat to the walls of **304,300** rooms!*

Of the paint processed, 80% was latex and 20% was oil-based.

But what happens to the paint?

Latex

- Recycled-content paint
- Unrecyclable & landfilled
- 4% used as fuel
- <1% reused

Oil-Based
