**WHAT PRODUCTS & QUANTITIES CAN YOU BRING?**  
Households may bring any amount of paint, stain, and varnish.  
Limits apply to businesses.

### PAINTCARE PRODUCTS

Paint must be in sealed, original container with original manufacturer label. This event is for the following products only:

- ✔ House paint and primers (latex or oil-based)
- ✔ Stains
- ✔ Deck and concrete sealers
- ✔ Clear finishes (e.g., varnishes, shellac)

### NON-PAINTCARE PRODUCTS

- ✘ No leaking, unlabeled, or empty containers
- ✘ No aerosol coatings
- ✘ No drums or containers larger than 5 gallons
- ✘ We cannot accept other hazardous waste or chemicals such as paint thinner, solvents, motor oil, spackle, glue, adhesive, roofing tar, pesticides, cleaning chemicals

### BUSINESS LIMITS

To use PaintCare drop-off sites and events for oil-based paint, a business must qualify as an exempt generator under federal and any analogous state hazardous waste generator rules. Please visit [www.paintcare.org/business-limits](http://www.paintcare.org/business-limits) for more information on exempt generator rules. If your business does not qualify as an exempt generator, it will not be able to use PaintCare drop-off sites and events for oil-based paint, but it can still use them for latex products.

Early drop-offs are considered illegal dumping and are not allowed.

Paint manufacturers created PaintCare to provide convenient places to recycle leftover paint, such as paint retail stores and paint drop-off events. To learn more or find a year-round PaintCare drop-off site near you, visit [www.paintcare.org](http://www.paintcare.org) or call **(855) PAINT09**.

*Paint in good condition will be made available to the public for free.*
