Join us for the Paint Recycling Drop-off Event in the Willamina Area.

**What Products & Quantities Can You Bring?**
Households may bring any amount of paint, stain, and varnish. Limits apply to businesses, see below.

**PaintCare Products**
- House paint and primers (latex or oil-based)
- Stains
- Deck and concrete sealers
- Clear finishes (e.g., varnishes, shellac)

**Non-PaintCare Products**
- No leaking, unlabeled, or empty containers
- No aerosol spray paints
- No drums or containers larger than 5 gallons
- We cannot accept other hazardous waste or chemicals such as paint thinner, solvents, motor oil, spackle, glue, adhesive, roofing tar, pesticides, cleaning chemicals

**Business Limits**
To use the PaintCare program for oil-based paint, a business must qualify as an exempt generator under federal and any analogous state hazardous waste generator rules. Please visit [VSQG](https://www.paintcare.org/VSQG) for more information on exempt generator rules. If your business does not qualify as an exempt generator, it will not be able to use the program for oil-based paint, but it can still use the program for latex products.
