PaintStewardship Programs in the U.S.

Become a Retail Drop-Off Site for Paint

Updated — April 2021

PaintCare makes it easy for paint retailers to provide a convenient and valuable service for their community.

Funding for the program comes from a fee applied to the price of architectural paint sold in these states.

PaintCare is a nonprofit organization established by the American Coatings Association to implement manufacturer-led paint stewardship programs in states that pass paint stewardship laws. PaintCare currently operates programs in California, Colorado, Connecticut, District of Columbia, Maine, Minnesota, Oregon, Rhode Island, Vermont, and Washington, and is developing a program for New York. The main goal of PaintCare is to decrease paint waste and recycle more postconsumer (leftover) paint.

Paint Drop-Off Sites
The primary requirement of paint stewardship laws is for paint manufacturers to set up paint drop-off sites at retailers and other locations where households and businesses are able to take leftover architectural paint, free of charge.

Most drop-off sites are paint and hardware stores; others are waste transfer stations, recycling centers, and household hazardous waste facilities. Participation as a drop-off site is voluntary. There are more than 1,800 drop-off sites across all PaintCare programs.

All retailers in PaintCare states should be aware of the program, that the PaintCare fee is applied to the price of architectural paint products, and that drop-off sites are available throughout the state.

Benefits to Retailers and Their Customers
There are many benefits to becoming a paint drop-off site. As a participating retailer, you will:

- Make recycling of leftover paint more convenient for your customers
- Support the paint industry’s effort to lead the way in being responsible for end-of-life management of its products
- Promote your store as environmentally responsible
- Increase customer foot traffic and sales opportunities
- Help relieve local government of their cost of managing leftover paint
- Help your state conserve resources, keep paint out of the waste stream, and prevent the improper disposal of paint in your community

Become a Drop-Off Site
Retailers interested in becoming drop-off sites can fill out the Interest Form available at www.paintcare.org/retailer-interest-form.
PaintCare Drop-Off Sites Receive

- Bins for storing collected PaintCare products
- Transportation and recycling of the collected PaintCare products
- Training materials and staff training at your site
- Program brochures, signage, and customer education materials
- Paint spill kits
- Listing of your store as a drop-off site on our website and in advertisements and promotional materials

Drop-Off Site Responsibilities

- Provide secure storage area for paint collection bins
- Accept all brands of leftover PaintCare products from the public during regular business hours
- Place only PaintCare products in paint collection bins, taking care not to open containers
- Keep paint collection bins neat and properly packed
- Complete minimal paperwork related to tracking outgoing paint shipments
- Ensure all staff maintain training on PaintCare program guidelines and operating procedures
- Display "drop-off site" signs in store window and provide consumers education materials about the program
