

Suggestions on How to Link to PaintCare

A. LONG VERSION

Do you have only paint, stain and varnish to recycle?

Many paint stores now take back house paint (including stain and varnish) year-round during their regular business hours as part of the PaintCare program. If the only household hazardous wastes you have for recycling or disposal are paint, finding a place to take them is now easier and more convenient in our community. [Note: these sites do not accept non-paint products such as thinner, solvents, spackle, pesticides, or cleaning chemicals.]

The {state name} Paint Stewardship Program is run by PaintCare, a nonprofit organization funded by a nominal fee on the price of new paint. Residents and most businesses from any part of the state may use any PaintCare retail location. PaintCare also offers a pick-up service if you have at least 300 gallons of unwanted paint.

There is no charge when you drop off your paint or have it picked up. To find participating drop-off locations, learn more about the pick-up service, or find out which products are accepted, please visit www.paintcare.org or call **(855) 724-6809**.
