Recycle with PaintCare

For Educators and Parents

Paint manufacturers created PaintCare, a nonprofit stewardship organization to run recycling programs in states as they pass paint stewardship laws. Through PaintCare, the paint industry sets up drop-off locations for unused paint, arranges for recycling and proper disposal of the paint, and conducts outreach about proper paint management. For additional information, visit paintcare.org.

Imagine the possibilities of recycling paint. Color and design the paint can label to show how it can be used up and passed on to others.
